# Embedding Information Literacy teaching within Engineering- the challenge!

Liz Martin

# Overview

- Situation in 2005
- Situation now
- How .....
- The future

# Situation in 2005

- Only library teaching was Induction
- ½ hour slot
- In faculty building

# Now

- Induction
- 1st year engineers
- 1<sup>st</sup> year technology students
- Final year UG
- PG students

# Evolution

- 1<sup>st</sup> year technology students
- Management boards - Plagiarism, referencing
- 1<sup>st</sup> year engineering project
- Links with Centre for Learning and Study Support.

# The Future

- Central timetabling
- Accreditation
- Keep plugging what we can offer!
- Your thoughts, comments, questions
