

Consultancy, bitesize and training: How Northumbria supports researchers

Suzie Kitchin

Northumbria University

A research-rich, business-focused, professional university with a global reputation for academic excellence...between 2013 and 2018 we will:

- Build global reputation, market position and revenue streams
- **Grow high quality research and use it to drive excellence in all of our activities**
- Maximise student and stakeholder satisfaction
- Strengthen operational efficiency and effectiveness, and foster a culture of continuous improvement

Research Support team
