Join the M11 southbound from A428 (Bedford), A603 (Sandy) or A14 (Peterborough) and leave at Junction 10, turning left to the A505. Take the second exit (straight) at the roundabout and follow for another 2 miles. The road turns into a dual carriageway, follow this up the hill and at the bottom, take the slip road left. At the end of the road turn left and then straight across the roundabout (2nd exit) into Granta Park.

From the A14 take the A11. Leave this at the Haverhill junction (A1307), turning left at the roundabout and then take the next right. Turn left at the roundabout and then left again at the next roundabout into Granta Park.

From the South via the A1 (West London)

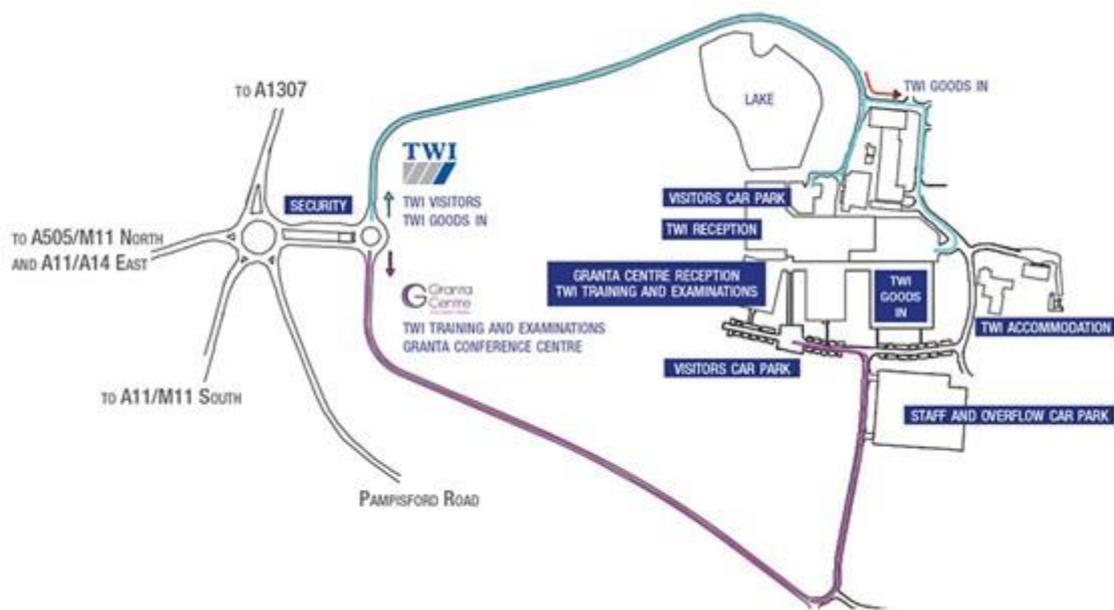

Leave the A1 at Baldock and take the A505 eastbound towards Royston. Follow this road until you reach the roundabout adjoining the A1301. Take the second exit (remaining on the A505). After 2 miles the road turns into a dual carriageway, follow this up the hill and at the bottom, take the slip road left. At the end of the road turn left and then straight across the roundabout (2nd exit) into Granta Park.

From the South via the M11 (East London)

Leave M11 at Junction 9 and take the A11. Take the A1307 slip road to Haverhill and turn right at the roundabout. Take the next right and then turn left at the roundabout and then left again at the next roundabout into Granta Park.

Turn right when you enter the Park and follow signs for the Granta Centre.
